**Quarter ONE complete!**

All parents should have received a message from teachers via parent square or have been scheduled for a parent meeting via zoom, in person, or via phone call. Your support in your child's academics is vital to success. As a reminder per our updated policy, 6 tardies equals one absence. Excessive tardies and absences will result in an attendance contract. Notes for absences must be submitted within two days of the absence. See you at our next community campus event- FALL FEST on November 7th!
